Music Groups Plan Activities

Besides increasing the number and academic caliber of its own music majors, Missouri Southern's music department performs actively in the community.

MSC Community Symphony held its organizational meeting September 11. The meeting revealed the symphony's wide appeal to area college students and semi-professional musicians. The fully instrumented 70-80 piece group performs standard orchestral literature focused into five annual concerts. Concert details will be announced.

Delbert Johnson of the music department announced that the MSC Concert Band will make its first appearance at the dedication of the College. The Concert Band will also serve as the Lion's pep band and present two concerts during the year. The Stage Band, primarily a training band, accepts program invitations and hosts a jazz festival in the spring.

Oliver Sovereign, director of choral activities, announced that the 75 members of the MSC Chorale will perform jointly with the Community Symphony in Joplin's upcoming Fall Festival of the Arts. The Chorale will also present a Christmas concert concentrating in contemporary American and folk music. MSC Community Chorus held auditions September 12. This group offers area adults the opportunity to perform serious choral literature. Sovereign tentatively plans an oratorio in the spring.

Summer Cabinet Governs in Absence of Senate

This past summer, the Summer Cabinet remained hard at work while most MSC students were trying to forget school problems.

The Summer Cabinet began its season of activity at the end of the spring term and became the governing body during the absence of the Student Senate. One representative from each authorized school organization and the Student Senate officers composed the Cabinet.

Topics of Homecoming, the Constitution, class rings, and the annual mixer were of major concern to the Cabinet.

Ray Mathis of the Crossroads is serving as chairman of the Homecoming committee with Sue Ann Gulick, student body treasurer; Linda Warden, Nursing; and Judy Ardrey, College Players, as subcommittee heads. Other committee members are Dannie Fieker, Cheerleaders; Judy Sage, student body secretary; Mike Clinton, acting freshman class president; John Starchman, student body vice president, and Davonnda Hill, Art League.

The committee to revise the constitution of Missouri Southern College held seven meetings during the summer months. Chairman Rick Call, representing Phi Theta Kappa, and committee members Kathleen Bagby, The Chart; Cindy Sour, Women's P.E. Club; Mike Albright, Engineer's Club; Roger Pennel, Circle K; and Glenn Orem, Math Club, revised the constitution and presented their work to the Cabinet.

One growing project of the

Cabinet has been the investigation of class rings for Missouri Southern College. Glenn Orem; Susan Kelly, CCUN; and Ray Mathis have been in touch with three major ring companies, and the Cabinet has received several possible sketches and ideas for the rings. The ring committee hopes to receive more ideas before asking students to vote on the final designs.

Dannie Fieker and Mike Clinton were responsible for planning the recent mixer at the First National Bank. Other Cabinet members helped in the decorating and cleanup.

Cabinet members have been selling advertising for the 1967-68 Lion's Track, the student directory. Editors Cyndie Green, rep-

resenting SNEA, and Susan Kelley, with assistant Davonnda Hill have begun work on the directory.

A project that the Cabinet hopes to institute for the Senate is a newsletter, a bulletin for students including coming events and information on Senate and Cabinet activities. John Starchman and Kathleen Bagby are in charge of the newsletter.

Phil Snoddy of the Crossroads and Rick Call have been appointed cochairmen to plan activities surrounding the convention of the Missouri Association of Junior College Student Governments. Missouri Southern will host MAJCSG November 17-18. Dave Hokanson, student body president. (Continued on Page 3)

Student body executive officers check the minutes of Summer Cabinet meetings as they prepare Senate activities. The officers are Joe Schoeberl, parliamentarian; John Starchman, vice president; Judy Sage, secretary; Sue Ann Gulick, treasurer; and Dave Hokanson, president.

Final plans for the 1967-68 Homecoming celebration near completion as October 7, the day of festivities, draws near. Festivities will open with a parade at 2 o'clock that afternoon in downtown Joplin. Following the game with Fort Scott, a dance will conclude the day's activities.

Beginning at Fifteenth street on Main street, the parade will proceed to First street. Marching units from area high schools will participate.

Five Homecoming queen candidates — Kerry Bay, sophomore, from Neosho; Cathy Iles, freshman, from Lamar; Mary McGaughey, freshman, and Linda Moss, sophomore, from Carthage; and Judy Repplinger, sophomore, from Joplin—will lend an air of royalty to the procession.

Organization floats entered in the parade will be judged by College officials. First, second, and third place winners will receive cash prizes of \$30, \$20, and \$15 respectively.

Competition for prizes is open only to school floats. Entries may be submitted at the Crossroads office and to John Starchman or Dannie Fieker until Monday. There is no entry fee.

The crowning of the Homecoming queen will highlight half-time ceremonies at the football game that evening at Junge Stadium. Prizewinning floats will also be featured.

Following the game, the dance, featuring a Roaring Twenties theme, will be held at the Joplin Senior High School gymnasium from 10 p.m. to 1 a.m. Students are urged to wear appropriate Roaring Twenties costumes. The Soul Sounds of Coffeyville will provide the music.

Tickets for the dance may be purchased from any Student Senate member or at the door for \$2 per couple.

Phi Theta Kappa will take orders at the end of next week for traditional Homecoming mums. Signs and posters will give full details. SNEA will sell pennants.

The Summer Cabinet committee planning Homecoming details includes Ray Mathis, chairman, and members Judy Ardrey, Mike Clinton, Dannie Fieker, Sue Ann Gulick, Davonnda Hill, Judy Sage, John Starchman, and Linda Warden.

College Players To Hold Reception For New Members

College Players are staging an old-fashioned hoe-down to welcome new members at 4 o'clock, Sunday, October 1, at the Barn Theatre. Any students interested in working with the College Players are urged to attend, according to Judy Ardrey, publicity chairman.

Duane Hunt, instructor in the College drama department, remarks that while all play tryouts are open to the student body, College Players is the producing organization for the department. The Players work on all phases of theatre production, including set construction and design, lighting, costuming, make-up, publicity, and of course, acting in plays and interpretative presentations. In addition, the group attends various out-of-town dramatic productions during the year.

The Barn Theatre is located west of the cafeteria.

Spiva Art Center To Feature Doel Reed

Doel Reed, an internationally known artist, will present an art exhibit at the MSC Fine Arts Gallery, October 3-20.

During his "One Man Exhibit," Mr. Reed will exhibit ten drawings and 29 aquatints. The aquatint is a process of etching drawings onto zinc plates and then printing them on paper.

A resident of Taos, New Mexico, Reed has exhibited paintings and drawings all over the world and is listed in "Who's Who In American Art." He is a member of the Board of Regents, Museum of New Mexico, by appointment of the governor; a member of the Advisory Board, Harwood Foundation in the University of New Mexico; and a member of the Art Committee at the College of Santa Fe, Santa Fe, New Mexico.

Mr. Reed will be in Joplin, October 16-20 during the Arts Festival. While he is here, he will be available for consultation and demonstration of his aquatint process.

The Chart

The Chart, the official student newspaper of Missouri Southern College, Joplin, Missouri, 64801, publishes 18 issues during the school year. It is a member of the Missouri College Newspaper Association.

Significant Spice

Variety of student interests is the significant spice of college life. The range of its extracurricular activities is one of numerous and valid ways to judge any college. And anyone may so judge MSC with a glance through this issue of The Chart.

We have, as example, Homecoming, typifying the spirit of social and athletic activities of the entire year. What college could do without its athletes, cheerleaders, queens, and dances! They are valued and traditional aspects of college life. The Fall Festival of the Arts, on the other hand, is in its infancy as an MSC-area institution; but the groups it represents, the musicians, the actors, the artists, are close to the heart of any school curriculum. Entirely non-curricular, but equally hard at work, the Student Senate and Summer Cabinet direct the many affairs under their jurisdiction. The Ecumenical movement reveals yet another side of MSC interests. And beyond these, there is the whole spectrum of interest clubs ranging from political to purely social that are organizing for the year ahead.

Through these activities, students experiment with prospective professions, pursue favorite interests, and, hopefully, mature through contact with other students. The variety of activities reflects the variety of students who make MSC what it is. The student who does not enjoy some sort of extracurricular activity is missing out on a part of what college is all about.

—L.B.

JOTS

Dave Hokanson and Dennis Cottrell, MSC students, attended the Governor's board meeting of the Missouri Intercollegiate State Legislature at Columbia, Missouri, September 16. Hokanson served as Chief Justice of the Supreme Court. Cottrell was appointed to MISL Public Relations. Phil Wiland, governor of MISL, was president of the MSC Student Senate in 1965-66.

The Missouri Southern Baptist Student Union held a special meeting, September 11, to make plans for the use of land set aside for the new Baptist Student Center. Officers for this year's BSU include Roger Pennel, president; Cyndie Green, enlistment chairman; Janice Gilstrap and Caroline Marbut, program cochairmen; Kathy Coombs, secretary-treasurer; Mickey Leuthen and Wanda Howerton, social co-chairmen; Joe Vandevier and Richard Johnson, publicity, and Janice Smith, missions.

Mr. and Mrs. Mike Bogard have announced the birth of a son, Jason, September 13. The future ballplayer weighed in at seven pounds, seven ounces.

Students wanting pictures that appeared in last year's Crossroads may buy them in the Crossroads office, adjacent to the College book store.

Sophomores, Juniors, To Schedule Portraits For '68 Crossroads

Sophomores and juniors may make appointments for yearbook portraits during the week of October 2 from 11:00 until 3:00 in the Crossroads office.

Portraits will be taken October 9-20. Appointment times will be left largely up to the individual.

No sitting charge will be made to students, but they may order studio prints at special student rates when the proofs are returned.

Eta Chi Chapter of Phi Theta Kappa held its first business meeting September 19. Their next meeting was held Tuesday, September 26, at 12:00 in room H-311. All members were urged to attend future meetings to finalize plans of the upcoming events.

Convocation committee met September 21 to plan assemblies and make arrangements for visiting speakers. The committee chairman is Cleetis Headlee with Julie Hughes, Harry Gockel, Larry Martin, Dr. Orty Orr, and Dean Dudley Stegge serving as committee members. Two students, Lana Pugh and Douglas Lawson, were chosen by the Cabinet to represent the student body. The group plans for a visiting speaker for October 13.

MSC To Take Part In City-Wide "Fall Festival Of The Arts"

Eleazar DeCarvalho, the internationally known Brazilian composer and conductor, will direct the St. Louis Symphony Orchestra in the opening event of the Fall Festival of the Arts. Now in his fourth season with the Orchestra, DeCarvalho has shared the podium with leading orchestras of Europe and South America.

With the approach of autumn, a city-wide "Fall Festival of the Arts," October 11-21, will bring to Joplin an unprecedented array of national and international talent. The idea originated in the Joplin Council For The Arts which, with the assistance of the Missouri Council For The Arts, is sponsoring most of the events. Students and faculty at Missouri Southern College will participate in the presentation of several special programs, poetical reading, and lectures on the European Economy.

The Saint Louis Symphony Orchestra under the direction of Eleazar DeCarvalho will open the Festival with an adult concert at 8 p.m., Wednesday, October 11, in the Joplin High School auditorium, featuring Modeste Moussorgsky's "Pictures At An Exhibition." The program will also include Schubert's Overture to Rosamunde and Beethoven's Symphony No. 7.

Miss Cleetis Headlee, chairman of Missouri Southern's Division of Humanities and Fine Arts, who is coordinator of the first event said that Keith Larimore, chairman of the Division of Business, is head of the ticket sale for the event. MSC students and faculty members may obtain tickets from the office of William Taylor in the Music Building.

On Thursday and Friday of the same week, Danforth visiting lecturer Dr. Gilbert Maurice Sauvage will be on campus. Dr. Sauvage will conduct all lectures in the gallery of the Fine Arts Building. They will include a public lecture on "Europe and the Common Market," at 7:30 p.m., October 12; a student convocation address on "Business and Government in Western Europe," at 9 a.m., October 13; two discussions on "American Business and the European Economy," and "World Trade and the Developing Countries," one at 2 p.m., October 13 and the other at 12 p.m., October 13.

The Humanities Division of MSC will bring in John G. Neihardt, America's epic poet, October 16-17, to read his own works and to lecture. Of him, Paul Kaufman once said, "He has envisaged the stirring pageant of the winning of a continent, and has

wrought the story into the first American epic verse."

Tuesday, October 17, will be "Bob Cummings Day in Joplin." In his honor, a colorful mid-festival parade will proceed down Main Street to the theme of "All the Arts for All the People." That evening the popular actor will perform with the MSC Community Orchestra in a special presentation of Prokofieff's "Peter and the Wolf." The performance will begin at 8 p.m. in the Joplin High School auditorium. While Cummings narrates, conductor Bill Taylor will lead the orchestra as it tells the story in music using different solo instruments to portray the various characters.

Soloists, their instruments, and characters they portray are as follows: Peter, the entire string section; the Wolf, french horns, Gilbert W. Fuller and Larry E. Sanforn; the Hunters, percussion section, Linda Johnson; the Bird, flute, Faretta Ruestman; the Cat, clarinet, Terry Dolanc; Duck, oboe, Sara Gilstrap; and Grandfather, bassoon, Gerald McKenna.

The Missouri Southern College Chorale will also provide special music that evening. Their program consists of two parts. Part I includes Crucifixus, Lotti; Sing Unto God, Handel; Our Father, Gretchaninoff; and Glory to God In The Highest, Thompson. Part II features the Lovesong Waltzes, Opus 52, Brahms; "On Danube's Border," and "No, I Will Not Listen To Them," followed by two spirituals by Weaver, "Wash My Sins Away Lord," and "Great Day." The program will end with "Frostiniana," Thompson, "Choose Something Like A Star," and "The Telephone."

Gloria Brittenham and Deniese Crosswhite will accompany the Chorale. Soloists are Judy Ardrey, Kathy Watkins, Sue Baker and Stanley Graham.

The Festival issued a new challenge to MSC drama enthusiasts Duane Hunt and Mrs. Milton Brietzke as they began work early last summer adapting the novel, "Anna Karenina," to interpretive theater.

Because this is a special presentation, not affiliated with the program plans of the college drama department, members of the faculty will make up part of the cast.

MSC Regents-trustees Authorize Issuance Of Revenue Bonds

Missouri Southern board of regents-trustees authorized issuance of \$2.2 million worth of revenue bonds September 21 for construction of two dormitories and a student union. Bids on the bond issue will open October 26.

Approximately \$1 million of the bond issue will be used for construction of the dormitories north of Newman Road. The remaining bonds will be used for the first phase of the student union.

Both dormitories will be constructed to match the present buildings on campus. The three-story dormitory for male students will house 218 students. The girls' dormitory, a two-story structure, will accommodate 106 students.

The first phase of the student union, which will be constructed north of the science-mathematics building, will consist of a lounge and cafeteria.

Upon completion of the union, the present temporary cafeteria will be remodeled for classrooms.

Final expansion plans for the student union call for adding meeting rooms and enlarging the cafeteria.

Members of the cast include Gwen Hunt, Anna Karenina; Duane Hunt, Levin; Milton Brietzke, Alexis Karenin; Trij Brietzke, Dolly; Stanley Graham, Count Alexis Vronsky; Tony Zbranek, Princess Kitty Scherbatsky; and Tim Elliott, Stephen Arkadyvitch.

Curtain time is 8 p.m., October 20-21. Special matinee performances will be held Saturday for the members of the Joplin Branch of the American Association of University Women.

Attending the final performance will be popular star of stage and screen, Dennis Weaver. It was his desire to see the production and the unusual Barn Theater that prompted the Juco graduate to participate in the Festival.

Danforth Lecturer To Speak Here

Dr. Gilbert Maurice Sauvage, noted French economist and educator, will be on campus October 13-14. Dr. Sauvage is a specialist on the Common Market and European Free Trade Area, as well as international business generally. He also teaches courses on the environment of European business and the problems of European integration at the University of Paris. Dr. Sauvage will conduct a series of four lectures at Missouri Southern.

Southern Students Explore England During Stay in "Cathedral City"

A wishing well provides pleasant diversion for MSC students George and Betty Cantrell, while visiting England's ancient Dunster Castle.

England means many things to many different people. To some, it's the land of Twiggy and the Beatles; to others, it's a class in English Literature; but to George and Betty Cantrell, it's last summer and their stay in the Cathedral City of Exeter. Exeter is the birthplace of their mother, and to her it is a home away from home. The English heritage George and Betty share with her added to the excitement of the trip, which started from the family's home in Neosho and included stopovers in Montreal, Canada, and Dublin and Shannon, Ireland, before arrival in England's busy port of Bristol.

Both brother and sister described the English young people as being more mature than the average American youth as a result of their role in contributing to the support of the family, usually before the age of 16. George said that the main concern of English teens centered around getting an education, although only one out of 30 ends up in a university, or in an apprenticeship, the selection of which usually follows family tradition.

Betty noted a "progressiveness" in fashion, particularly in the prevalence of the mini skirts and, in private clubs especially a tendency to go mod. However, George was quick to point out that conservatism in street dress was quite apparent.

Another difference they mentioned was that English young people don't enjoy the same amount of money and pleasures that Americans do. Gasoline costs 80 cents a gallon. Cars and refrigeration are few, and water is paid for before it is used. This means the deposit of shilling before you can even take a bath.

For relaxation they spoke of dances held almost exclusively in private clubs unless the town was exceptionally large; they mentioned cinemas, where even horror movies are prohibited to anyone under 16; and motorcycle

rides. George recalled witnessing an international event between England and Czechoslovakia. The brother and sister also found the beaches to be a popular place to go.

The historical significance impressed them both. At the Tower of London, George saw where the Ravens, tall and stately as of yore, still guard the castle walls. At Hampton Court, Betty recalls standing in line for two hours to see the Crown Jewels, while George was more interested in the Bloody Tower and the massive armor of King Henry VIII.

They visited Westminster Abbey and Madame Toussaud's Wax Museum. They saw the Changing of the Guard, the "Unknown Warrior's Tomb," the famous \$60,000 portrait of Sir John Wittrell, and much more before finally returning to Neosho in preparation for another year at Missouri Southern and the pleasant routine of being Americans.

Summer Cabinet

(CONTINUED FROM PAGE 1)

dent, serves on this committee, ex officio, as he does on other Cabinet and Senate committees.

The student body executive officers and Cabinet also have the responsibility of running the elections for class officers and senators. John Starchman serves as chairman for the election committee with Roger Pennel and Dave Hokanson assisting him.

Various Cabinet members have been appointed to represent the student body on committees with faculty and administration members. Mike Clinton will serve on the athletics committee. Rick Call and Dave Hokanson will work with the student personnel committee to hear student grievances.

Dannie Fieker, Sue Ann Glick, and Dave Hokanson will assist with the Dedication to be held October 29. Joe Schoeberl, student body parliamentarian, will help with the planning of the student union.

In the past, the Summer Cabinet has retired once the new Senate has been elected in the fall. This year the Cabinet plans to function throughout the school year in an advisory capacity to the student body president and the Student Senate.

Young Republicans Hold First Meeting

The MSC Young Republicans held their first meeting September 20 in the College art gallery. Senator Richard M. Webster spoke to the group on what they could do to help further Republicanism in Jasper County, emphasizing the need for a complete registration list of all Republican voters in the area.

A brief outline of the club's future plans and a review of last year's events were also included in this first program. Dave Hokanson and Doug Hamilton spoke of their experiences at the Missouri Intercollegiate State Legislature; Regine Pflug reviewed the accomplishments of last year's State Young Republican's Convention, and Dennis Cottrell talked on the Club's venture to the Midwest Republican Convention.

Library Acquires Audio-Visual Aids

A newly located department in the George A. Spiva Library is the audio and visual aids division, located on the ground floor. This department will handle faculty requisitions for films, overhead projectors, tape recorders, and similar equipment. Many records and record albums will be available to students for use in provided listening rooms.

Associated with the audio-visual department, but located on the main floor is the \$21,000 tape console, capable of containing 56 public addresses, musical compositions, or other programs simultaneously. Twenty listening posts, each with individual dial and earphones, are provided.

Drama Department Introduces System Of Reservations

MSC drama department is initiating a reservations system for plays in the Barn Theater, which seats only 150 people. According to Professor Milton Brietzke of the speech and drama department, reservations will first be open to faculty and students and then to the general public.

The box office for "Anna Karenina," the first show of the season, will open October 1 for faculty and students. As part of the Arts Festival, the show will run two nights, October 20 and 21, with a Saturday matinee October 21. Although the matinee is primarily intended for the A.A.U.W., Professor Brietzke commented that students may check during the week of Octo-

Auto Technology Leads to Variety Of Job Opportunities

"If I had 60 graduates this year, everyone of them could get a job in Joplin." This is the career outlook for students in automotive technology as seen by Dwight Mason, head of Missouri Southern's automotive technology department.

Automotive technology at MSC differs greatly from the standard technological or vocational school in that heavy emphasis is placed on scientific theory. Graduates from this two-year program are prepared, with their Associate of Science Degree, to continue studies at other colleges.

Auto tech training at MSC leads to a variety of careers which include writing for magazines such as "Hot Rod" and research positions in large automotive companies. "We are pretty liberal," says Mason. "Our students are invited to apply the theories they learn to their own cars."

ber 15 to see if any seats are left.

Anyone wishing to make a reservation should either come to the box office, first floor in the Barn Theater, or call MA 4-8100, Extension 268, between 1 o'clock and 4 o'clock in the afternoon. Requests for reservations may be mailed to the Barn Theater, Missouri Southern College, Newman and Duquesne Roads, Joplin, Missouri, 64801. A self-addressed envelope should be included.

Students will be admitted to all plays upon presentation of activity cards. General admission is \$1.50.

Film Group
To Feature
Horror Classic

Horror stalks the campus! Soon to be seen on MSC campus is the classic of all horror films, "Vampyr." The film, the first in a series presented by the Spiva Art Center Art Activities Group, will be shown at 7:30 p.m., Wednesday, in Room 105, Science and Mathematics Building.

"Vampyr" is the classic telling of the vampire legend that set the pattern for dozens of terror films. Theodor Dreyer "suggests rather than shows" horror in this 1931 French film. Thus the movie stimulates the viewer to create his own unequalled horror. Inventive photography, score, and pace excite the viewer in such situations as the burial of a trapped doctor in fine flurries of flour sifting from a milling machine. Throughout the film, fine techniques suggest indescribable dread.

The French short, "Etoile de Mer," will complete the first evening's show. In this film, Man Ray exploits prismatic lenses to achieve the effect of neo-impressionist painting.

Spiva Art Center Art Activities Group provides its members with an opportunity to view select films otherwise unavailable in this area. These films are important classics within their categories. The group prepares knowledgeable and analytical program notes to stimulate intelligent discussion of the film. By promoting the study of the film as an artistic medium, the society hopes to engender critical appreciation of the theater.

Memberships are available at \$4 for the 12-film series.

New Ecumenical Campus Ministry
To Serve College Religious Needs

Dr. Leon Billingsly offers congratulations to Reverend Ron Unser, newly appointed campus minister for the Ecumenical Campus Ministry. Observing, from left to right are the Rev. Dennis Craft, Msgr. Bauer, and Dean Johnston.

Six religious denominations have pooled their services to create the Ecumenical Campus Ministry, a pioneer experiment among local churches that serve MSC students.

The purpose of the organization is to minister to the religious needs of students, faculty, and administration of the college, and to relate the religious life of the campus to the churches in the surrounding area.

The group has purchased 13 acres of land located on the southeast corner of Duquesne and Newman roads, presently occupied by Messick Truck Company. This location will be the future home of the Ecumenical Campus Ministry.

Officers of the group are Dennis Craft, minister of St. James Methodist Church, president; the Rev. Msgr. S. W. Bauer, vice president; Gale Graham, treasurer; and Dean S. Johnston, secretary.

Religious denominations now participating are the Catholic Church of the Diocese of Springfield-Cape Girardeau, Disciples of Christ Christian Church, Community Church of Joplin, Episcopal Church, Methodist Church, and Carthage-Ozark Presbytery of the United Presbyterian Church. The Rev. Ronald M. Unser, on loan from the Methodist Church, serves as full-time director of the new unified ministry.

All meetings of the Ecumenical Campus Ministry will be held on Sunday evening, 6:30, at the First Community Church, Fifteenth and Murphy.

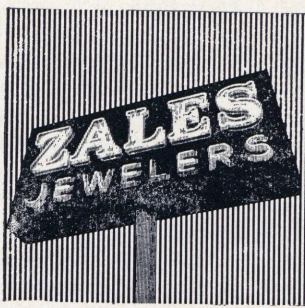

Election of officers for the Youth Council of the Ministry will be held on October 1 at the regular Sunday evening meeting. The topic for discussion that night will be "Open Housing." Any interested party wishing to attend is welcome.

48 Students Enroll
In Nursing Program

Missouri Southern College is offering an Associate Degree Nursing Program this year in which 48 students have enrolled. Mrs. Bessie Vediz, program director, said 32 students were accepted from approximately 100 applications received. In June, 16 second-year students will be eligible to take Missouri State Board examinations to become Registered Nurses.

Mrs. Marilyn Jacobs, Fundamentals of Nursing instructor, and Miss Susan Rea, assistant instructor, are presently conducting classes here on the campus for the 32 new students. In late October they will receive some experience at St. John's Hospital in patient care.

The 16 second-year students are primarily taking maternal and child health classes. Taught by Mrs. Jenean Sears, pediatric nurse instructor, and Miss Rebekah Ferry, instructor for nursing care of mothers and infants, they receive instruction on how to care for new mothers and new babies. This also prepares the student for nursing care of children in St. John's Hospital and other community agencies such as the Regional Diagnostic Center, Webb City Kindergarten, Public Health Agencies, and the Cerebral Palsy Clinic.

Five new MSC cheerleaders, three regulars and two alternates, were chosen at tryouts held September 11 at McAuley High School: Suzy Greenwood, sophomore alternate; Kerry Bay, a returning sophomore; Linda Moss, sophomore; Sharon Rickman, sophomore; Judy Sage, sophomore captain; Christy Gladden, sophomore co-captain; Mary McGaughey, freshman; Christine Matthews, freshman alternate. Trinket Plumb, a returning junior, was not available at picture-taking time.

Interest Clubs Elect Officers, Plan Programs

Several of the interest clubs have elected officers in preparation for the year's activities.

Members of Circle K plan to sell MSC license plates, pennants, and ribbons. This year's officers are Gary Johnson, president; Gary Davis, vice president; Roger Pennel, secretary; and Bill Hutton, treasurer.

The Eta Chi chapter of Phi Theta Kappa, which meets each Tuesday at 12 o'clock in Room 311 of Hearn Hall, has elected Rick Call as president, Mike Albright as vice president, Cyndie Green as secretary, Annita Hawkins as treasurer, and Wilda Wilson as reporter.

SNEA officers include Cyndie Green, president; Barbara Duncan, vice president; Joe McReynolds, secretary-treasurer; Gay Wilder and Neil George, program chairmen; and Bill Gessler, parliamentarian.

SNEA, the student division of the National Education Association, prepares education majors for such problems as school discipline and ability testing. The group meets at 7 o'clock on Friday mornings of one week and at 7 o'clock Thursday evening of the next week. Membership information may be obtained in Dr. Dryer's office on the third floor of Hearn Hall.

The Math Club met last week to discuss plans for three projects: a car wash; a math study hall for those who are having trouble with math courses; and the pos-

sibility of math conferences and contests for area high school students. Officers for the year are Glenn Orem, president; Bill Patten, vice-president; and Jan Smith, secretary.

Mickey Leuthan was elected secretary of the Engineer's Club at a meeting Wednesday morning. He joins Mike Albright, president; Gary Johnson, vice president; and Ron Stanley, treasurer, who were elected last spring. The Club plans to help with dedication of the College by making wooden directional arrows.

MSC Thespians To Hold Tryouts

Tryouts for "The Menaechmi," second play of the MSC drama season, are scheduled at 2:30 through 4:30, October 11 and 13, in the Barn Theatre. Duane Hunt, drama instructor, is directing the Roman farce-comedy.

The plot revolves around confusion in the identity of twin brothers. Hunt suggests that students wishing to read for parts familiarize themselves with the play before coming to tryouts. Scripts are on reserve in the library.

Presentation of "The Menaechmi" should offer a challenge for

City Council Votes To Widen Intersection

Relief is in sight for west-bound students who must wait patiently for their turn at the intersection of Rangeline and Newman Roads. Joplin City Council has authorized widening of the intersection in preparation for the installation of traffic lights.

actors and a diversion for theatre fans, as it is to be presented in "arena" style. Audiences will surround the acting area, while the players perform as close as a few feet from the onlookers.

Hunt emphasizes that tryouts are open to the entire student body. Interested students may attend anytime between 2:30 and 4:30 on the designated afternoons.

Lions To Meet Wichita, Ft. Scott in Home Tilts

Jim Johnson's Missouri Southern Lions, with a pair of games already under their belts, will entertain the Wichita University freshman squad Saturday night in the Lions' first home game of the campaign at Junge Stadium.

Next Saturday the MSC crew will engage in its second home tussle, hosting Fort Scott Junior College. The Lions whipped Fort Scott, 54-7, at Fort Scott last season. This year's battle will be the Homecoming event.

One of the following girls will be crowned Homecoming Queen at the halftime ceremonies: Kerry Bay, sophomore; Judy Repplinger, sophomore; Linda Moss, sophomore; Mary McGaughey, and Cathy Iles, both freshmen.

Lion fans will probably see a familiar face near the Wichita bench Saturday night, that of Ron Toman. Toman piloted the Lions last season, and also in 1965, when the MSC eleven rolled up a 10-0 record and was ranked third in the nation.

The Lions have made several changes in the starting lineup which they employed in their first two outings. The probable offensive starters are as follows:

Ends—Ken Henderson, 6-0, 195-pound letterman, and Terron Jackson, 6-4, 215-pound freshman, both of St. Louis.

Tackles—Gary Maufas or John Turner, and Dennis Coffel, 6-1½, 225-pounder, all of St. Louis.

Guards—Ray Basye, 5-11, 205-pound freshman from St. Louis, and Mike Thomas, 6-2, 205-pound letterman from Chicago, Ill.

Center—Glenn Wills, 5-10, 185-pound letterman from Peoria, Ill.

Quarterback—Terry McMillan,

6-2, 175-pound letterman from Coral Gables, Fla.

Halfbacks—Harold Fountain, 6-3, 185-pound letterman from Mexico, Mo., and Al Holmes, 5-9, 165-pound freshman from St. Louis, a pair of flashy breakaway runners.

Fullback—Odon Logan, 6-1, 195-pound freshman from Columbia.

Holmes and Logan both earned all-state and all-America honors as seniors in high school.

The probable defensive starters are:

Ends—Henderson and Dave Krisman, 6-0, 220-pound letterman from Peoria, Ill.

Tackles—John Turner, 6-2, 220-pounder from St. Louis, and Horace Jackson, 6-2, 225-pounder from Rome, Ga., a pair of freshmen.

Guards—Gayland Fix, 5-11½, 215-pound letterman from Grandview, and Ron Ippolito, 5-11, 195-pound freshman from Swarthmore, Pa.

Linebackers—Gary Selvidge, 6-1½, 190-pounder from Grandview, and Duane Clay, 5-9, 180-pounder from Broken Arrow, Okla., a pair of freshmen.

Halfbacks—Mike Blanks, 5-10, 180-pound returnee from St. Louis, and Harold Fountain.

Safety—Vic Nichols, 6-0, 190-pound freshman from St. Louis, selected the number one defensive back in last year's Missouri high school all-star game.

The remainder of the schedule follows:

Oct. 7—Fort Scott, here.
Oct. 14—Independence, there.
Oct. 21—Cameron, at Carthage.
Oct. 28—OMA, here.
Nov. 4—NEO of Miami, there.
Nov. 11—Coffeyville, there.

Six of Jim Johnson's top gridders take time out from an afternoon practice to pose for a Chart photographer. Backfieldmen on the bottom row from the left are Courtney Sanders, a halfback from St. Louis; Odon Logan, a fullback from Columbia; and Al Holmes, a halfback from St. Louis. Linemen on the top row are Mike Thomas, a guard from Chicago, Ill.; Jim Hoots, a tackle from St. Louis; and Ken Henderson, and end from St. Louis.

Southern Suffers First Setback Of Season; Bows to Tyler, 33-20

The Apaches of Tyler, Tex., who had taken a 7-0 lead at intermission, stormed back for four touchdowns in the second half of play en route to a 33-20 victory over the Missouri Southern Lions last Saturday night at Tyler.

The Lions had their backs to the wall most of the night and were plagued by penalties, injuries and a sputtering offense.

Four Southern players left the game because of injuries received at the hands of the tough Apaches. Halfback Stan Hunter suffered an ankle injury, fullback Odon Logan sustained a hip injury, and Marcel Charron, MSC's freshman quarterback, and Terron Jackson, starting end, received neck injuries.

The Lions twice thwarted scoring attempts by Tyler in the first quarter but the Apaches were not to be denied, scoring in the second period on a 30-yard pass from Mike Kevryn to his split-end Jim Becknell with 8:26 left. The Apaches drove 40 yards in three plays for the TD. Hill kicked the extra point and the score was 7-0 when the first half ended.

In the third stanza, quarterback Kevryn went to the air again, hitting tight-end Gary Bogart with a 20-yard toss. The Apaches were aided on this drive by a 15-yard personal foul penalty against Southern.

Tyler made it 21-0 moments later when Guttry, a speedy halfback, plowed in from six yards out. This touchdown was set up by quarterback Alan Byrd who made an 11-yard run and threw an 18-yard pass to Guttry.

The Texans hit pay dirt in the fourth quarter when Randy Ross blocked a Southern punt. Teammate Bill Nectoux scooped up the loose ball and rambled 19 yards for the score. The kick was wide but the Texans had a commanding 27-0 lead.

After the kickoff Southern started to roll from their own 27-yard line. Fleet Al Holmes bolted from his halfback position and raced 73 yards down the sidelines, shaking off a would-be tackler at the Tyler 25-yard line, for the Lions' first tally. C. A. Cortez booted the point after and the score stood at 27-7 with 8:09 re-

maining in the contest.

Tyler marched 63 yards in five plays for its fifth and final TD with Hill squirming across the Lions' goal line from the three. Sparking the drive was a 28-yard run by Hill and a 30-yard sprint by Kevryn. The kick was no good and the Lions were down by twenty-six points.

Southern continued to battle back as quarterback Terry McMillan climaxed a five-play, 47-yard attack with a seven-yard pass to tight end Terron Jackson for the Missouri's second TD of the night. Earlier in the drive, Jackson had snagged a 21-yard pass from McMillan and fullback Johnny Tomko ran for 13 yards to keep things moving. Cortez kicked the extra point and with 1:02 left to play, the Apaches were in possession of a 33-14 lead.

Southern's final six points came with the aid of a 15-yard roughing-the-kicker penalty as they moved the ball the distance in six plays with halfback Harold Fountain plunging over from the three-yard line. Cortez failed, for the first time in seven tries of the young season, to make the kick good, and it was Tyler's game with seven seconds to go.

It was the Lions' first defeat of the year against one victory. Tyler has a 3-0 mark for the year having beaten Henderson County, Texas, Junior College and Kilgore, Tex., two tough clubs. Kilgore was ranked Number One in the Juco polls last year.

Southern was the first team to score a touchdown on the Apache squad and was the first crew to compile twenty points against Tyler, its first two opponents having managed only five.

PTK to Offer Homecoming Mums

Phi Theta Kappa will take orders for Homecoming mums until Wednesday in the cafeteria. A charge of \$1.50 must be paid in advance.

Orders will also be taken at tomorrow's football game. The mums are yellow with MSC emblems.

Holmes, Hunter Pace Southern Past OMA, 34-21

Missouri Southern College Lions snatched a first-half lead on touchdowns by halfbacks Stan Hunter and Al Holmes, then coasted to a 34-21 victory over Oklahoma Military Academy September 16 at Claremore.

Hunter, a solidly constructed sprinter from Joplin, tallied three times in the hard-fought contest and Holmes, an All-American halfback from St. Louis, crossed the enemy goal line twice.

MSC's Gayland Fix, defensive linebacker, picked off a Jim Reichert pass during the third quarter and raced 65 yards for an apparent score, but the play was called back because of a clipping penalty.

Reichert had a strong throwing arm in all of the Cadets' scoring as he connected with ends Alan Drover and Bill Jeffers and flanker Phil Adams for OMA's three touchdowns. He found Drover on a 31-yard scoring strike and hit Jeffers and Adams on tosses of 12 and seven yards.

Southern tallied three times in the first quarter, the initial TD coming the second time the Lions got possession of the football. Hunter streaked 39 yards for the score and C. A. Cortez booted the ball through the uprights for one of his four perfect extra points.

Al Holmes, who plays flanker on the Southern squad, later received a Cadet punt on his own 12-yard line and raced past defenders to pay dirt.

Harold Fountain, a late-comer to MSC this year, intercepted a pass to set up Southern's next score. Fountain was downed after receiving the ball and Holmes carried on the next play to pick up seven yards. Lion quarterback Terry McMillan then teamed with tight end Terron Jackson for the first down. Hunter added the touchdown on a 31-yard scoring jaunt.

In the second quarter Holmes and Hunter each scored once taking a 34-7 lead to the dressing room at intermission.

Holmes' tally came on a five-yard jaunt. McMillan connected with a screen pass to Hunter for the final scoring effort for the Lions.

Reichert was OMA's top performer of the contest as he connected on 12 of 27 passes for a total of 257 yards through the air lanes.

Coach Johnson cited the performances of the Lion backfield of McMillan, Holmes, Hunter, and also was impressed with the solid running and blocking of fullback Odon Logan. Terron Jackson also received honorable mention from the Lion mentor.

Southern's fleet halfback Al Holmes appears to be dragging the opposition across the goal line with him as he is braked by a stubborn Oklahoma Military Academy tackler. Holmes went on to score twice for the Lions as MSC whipped the Cadets, 34-21, September 16 at Claremore.
